## Interior features.

Exclusive, handmade genuine leather and textile trim paneling with satin-finished composite inlays.  
Functional, ultra-lightweight interior materials (aircraft light leather, flame resistant, non-soiling & UV protection).  
Handmade high-quality upholstery.

### ERGONOMIC FEATURES

Ergonomic pilot/copilot seats with pneumatically, stage less adjustable backrest and lordosis.  
Softly upholstered, foldable middle armrest and leg rests.  
Several oddment compartments, foldable cup holder, bottle holder.  
Exchangeable headrests.  
Easy operable light and air units for pilots and all passengers.  
Enhanced access through foldable backrests for the middle and rear seat row.

### SECURITY EQUIPMENT

Three point security belts (pilots), respectively lap belts & unhingeable chest belts.  
Adaptable quick fix baggage net.  
Separately foldable backrest in the middle seat row.

"With the roominess of the cabin, the advanced avionics and the overall performance of the DA62  
you may feel like an airline captain."

*Christian Dries, CEO of Diamond Aircraft - 7,400 flight hours*

Premium interior.
